He was charged with shooting a horse belonging to Mrs. McMinn, with killing two of Henry Jordan's turkeys, with killing one unknown feline, or house cat, shooting around Ficker's school house and shooting into Mrs. Mince's residence.

Miss Annie Mace, daughter of B. Mace, and Richard Sentell, son of G. N. Sentell; Miss Dosiah Mace and Joseph Cantrell, were married Sunday afternoon at three o'clock.

They are now making blocks for building purposes, retaining walls, porch columns, gate posts. Also make chimney flues, well curbing, sewer and drainage pipe, fancy borders for garden paths or flower beds, and special borders for cemetery lots. The works are on Grove st., near Gullick's carriage shop.

## Death of Mrs. C. E. Roper

Mrs. C. E. Roper died at her home, in Flat Rock, Monday, at 12 o'clock, after a long illness, death resulting from a complication of diseases.

The funeral services will be held at the late residence on Wednesday, at one o'clock, and will be conducted by Rev. J. G. Hughes and Rev. G. S. Jones. Interment will be in Oakdale Cemetery.

Mrs. Roper is survived by her husband and five living children, four boys and one girl. She was the daughter of Mr. John S. Barnett, was born here, where she has continuously resided save the five years spent in South Carolina immediately following her marriage.

Mrs. W. C. Stradley, Mrs. D. P. Kelley, Mrs. Hollingsworth, Asheville, Mrs. Thos. Wood, Brevard, are sisters of the deceased who was one of the most highly esteemed and respected ladies of this part of the State.

### Six-Pound Sweet Tater!

Mr. I. D. Morris of Saluda, was in town Monday, attending court. Mr. Morris, commenting on the sweet potato exhibit in the Hustler office, said:

"They remind me of a six-pound sweet potato, given me many, many years ago, by a lady, and which, a few days later was the chief adornment of a possum supper. It was in the center of the table, decorated with varicolored autumn leaves, and made the possums look mighty small. A party of us, boys and girls, caught the possums the night before—got five, I believe—and the next day we were photographed in the same clothes we wore for the hunt. I reckon a stranger looking crew than we were never posed before a photographer!"

### Mysterious Deer Tracks

How come those deer tracks in the cement crosswalk at Col. Picken's corner of Main and Willow Road? There they are—clear and distinct, evidently made while the cement was still soft. It is hardly probable that a deer would venture into town—and if one were so foolish certainly it would not venture near the Colonel's domicile, for that excellent hunter has a mighty gun and three new dogs. The Colonel has no explanation to make of the mystery, but laughs at the suggestion that the tracks might have been made by a spook deer—now gone to the happy hunting grounds. Still the tracks, undeniably deer tracks, are plainly seen in the cement, and until Flave Hart, who is now in Florida, can be communicated with, the affair will remain a dark, mysterious mystery.

### A Scalded Boy's Shrieks

orrified his grandmother, Mrs. Maria Taylor, of Nebo, Ky., who writes that, when all thought he would die, Bucklen's Arnica Salve wholly cured him. Infallible for Burns, Scalds, Cuts, Corns, Wounds, Bruises. Cures Fever-Sores, Boils, Skin Eruptions, Chilblains, Chapped Hands. Soon roots Piles, 25c at The Justus and Hunter's Pharmacy.

### HOW TO CURE RHEUMATISM.

The cause of Rheumatism and kindred diseases is an excess of uric acid in the blood. To cure this terrible disease this acid must be expelled and the system so regulated that no more acid will be formed in excessive quantities. Rheumatism is an internal disease and requires an internal remedy. Rubbing with Oils and Liniments will not cure, affords only temporary relief at best, causes you to delay the proper treatment, and allows the malady to get a firmer hold on you. Liniments may ease the pain but they will no more cure Rheumatism than paint will change the fibre of rotten wood.

Science has at last discovered a perfect and complete cure, which is called Rheumacide. Tested in hundreds of cases, it has effected the most marvelous cures; we believe it will cure you. Rheumacide "gets at the joints from the inside," sweeps the poisons out of the system, tones up the stomach, regulates the liver and kidneys and makes you well all over. Rheumacide strikes the root of the disease and removes its cause. This splendid remedy is sold by druggists and dealers generally at 50c and \$1 a bottle. In tablet form at 25c and 50c a package. Get a bottle today; delays are dangerous. Trial bottle Tablets by mail for 25c from BOBBITT CHEMICAL CO., Baltimore, Md. For Sale in Hendersonville by The Justus Pharmacy.
